MAY MEANS MOVIES!

I've always preferred the summer months to those of winter. I chalk that up to my upbringing in the Northern California sunshine, and the preponderance of movies that I enjoyed in those halcyon days of yore.

If we weren't hitting the Saturday matinee at the Roseville TOWER (where we got a random old SF or monster movie along with a Three Stooges short and some cartoons), or heading over to Sunrise Mall to catch a double feature, my friends and I saw A LOT of movies back then.

And in this issue of **PREVIEWS**, we're taking you to the movies via a wide selection of movie-based comics and graphic novels, and cool merchandise... like Diamond Select Toys' INDIANA JONES line! We learned years ago, that if "adventure" truly had a name, it had to be INDIANA JONES! And Diamond Select and Gentle Giant Studios have brought our globetrotting archaeologist and Nazi-puncher back in a big way in anticipation of his next big screen adventure, Indiana Jones and the Dial of Destiny! Head over to the Diamond Select section on the flipside of this catalog to see all the great new Indy products coming your way in 2023!

If you want to see more great comics and graphic novels based on movies (or that inspired movies themselves), then head over to page 244 for our Movie Month spread of recommended titles. And watch out for our Movie Month Icon throughout the issue for more cinemagic!

Finally, this is the last month that we'll be featuring the Free Comic Book Day section in the catalog, because **IT IS HERE!** The big month (**MAY!**) has arrived, and the bigger day (**MAY 6th, the First Saturday in MAY!**) is right around the corner. Hopefully you have made your plans for MAY 6th, and know exactly what you're looking for in the way of Free Comic Books! It's gonna be a blast, and I for one am looking forward to visiting my neighborhood comic shop and seeing their massive crowds once again!

That's all for this month. I want to thank you all for picking up this issue, whether it be the "real deal" paper catalog or the "digital deal" on the **PREVIEWS** app (I get 'em both!) — we go through all this hard work for you guys. And for the past 35 years, it's been a different (and rewarding) experience, every month!

Star Wars, Transformers Set World's Records in Hake's Auction

Hake's set new records in their first premier auction of 2023, several of which hailed from *Star Wars* and *Transformers* toys. The Toltoys Australian release *Empire Strikes Back* Jawa 41-back-E AFA 50 with the vinyl cape set a world record at \$49,324. The Hong Kong *Star Wars* Ben (Obi-Wan)

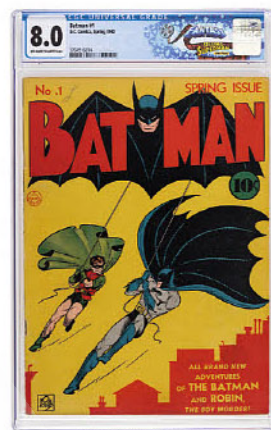

Kenobi with the double-telescoping lightsaber AFA 80+ nabbed \$24,660, setting a new world record for the grade. The very early prototype R2-D2 first shot action figure with silk screened decal and legs variety AFA 80 set a world record at \$22,066.

Transformers assembled a huge sale when the Series 1 Optimus Prime AFA 85 with the trademark logo set a world record at \$34,461 and is now the highest price paid at auction for a Transformers toy. Then the Series 2 Construction Giftset Devastator AFA 85 cleared \$25,370, achieving another world record.

Detective Comics #27 CGC 6.0 Realized \$1.74M at Heritage

Batman added two more entries to the \$1 million comics club, courtesy of Heritage's Comics & Comic Art Auction. The Dark Knight's debut in *Detective Comics* #27 CGC 6.0 hammered for \$1.74 million, tying the auction record. *Batman* #1 CGC 8.0 (his first self-titled book) with the special Fantast Collection Custom CGC label realized \$1.11 million.

Additional comic highlights included *Detective Comics* #33 CGC 6.5 (first time Batman's origin was told) for \$288,000, *More Fun Comics* #55 CGC 9.6 Mile High Pedigree for \$264,000, *Eerie* #1 CGC 9.2 (highest graded copy) for \$108,000, and *Mask Comics* #1 CGC 8.5 Promise Collection Pedigree (iconic cover) for \$144,000.

Animalia, the Shapeshifter

Monica Jim, aka Animalia is a young psirot and member of Generation Zero. The Valiant Entertainment character was created by Joshua Dysart and Khari Evans in *Harbinger Wars* #1 (April 2013).

As Animalia, Monica can create animals and animal body parts with no limitations on type, size, or shape of the animal. She can psionically manifest the creations into the physical world without morphing into them herself. The constructs give her the animal's strengths and abilities, but she remains vulnerable to physical harm.

- **Judge Dredd: The Blessed Earth #5** (Cover)
- **Frank Frazetta's Mothman #2** (STL275736)

Please tell us a bit about yourself!

My name is Sedat Oezgen. I was born in a city called Batman (no joke!) in the south-east of Turkey. I've lived in Germany for the past 37 years. I started working in comics back in 2009. Since then, I have worked for companies such as Opus, Valiant, IDW, Image, Zenescope Entertainment and many more. I'm currently working with Opus Comics and just finished my first cover for them and will soon start taking on interiors as well, on the "Shark" issue of Frank Frazetta's Tales of Science-Fantasy.

What are your favorite projects you've contributed to over the past decade?

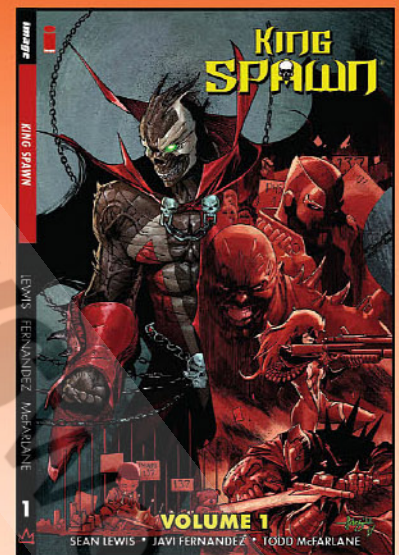

That's a tough one! I'd say my favorite ones were covers for *Judge Dredd: The Blessed Earth* and *Frank Frazetta's Mothman*, and a comic book called *Dracula: Blood Alchemy*, which hopefully will be published this year.

What are you currently working on?

I did a cover for Valiant's *X-O Manowar* series which will soon be released. Also, I've just finished my first cover for Opus Comics for their *Frank Frazetta's Mothman* series. And I'll soon get started on a new story for them.

What fun titles are you reading?

I really enjoyed Todd McFarlane's *King Spawn* (Vol. 1 / MAR220096)! It has a great story and great artwork in it. The fact that my friend Thomas Nachlik is drawing the book is a bonus!

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

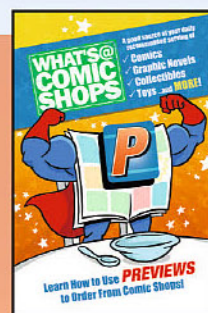

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your

comics and products a breeze and can help your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

LEGENDARY VIDEO GAME DESIGNER CLIFF BLESZINSKI PENS HIS FIRST COMIC, IMAGE'S *SCRAPPER*

In the annals of video game history, the name Cliff Bleszinski looms large. A key figure at Epic Games in the 90s and 00s, the creator of *Jazz Jackrabbit*, the producer on the *Unreal* franchise, popularly known as *CliffyB*, Bleszinski is a creative force, and this summer he turns his creative energies to comics with his first comic, Image Comics' *Scrapper*.

The future is a dystopian nightmare of domed cities and totalitarian rule. In this unnatural wasteland, two stray dogs, *Scrapper* and his buddy *Tank*, stand up for the oppressed animals in the city. And when the fight turns personal, *Scrapper* has to decide what's most important to him.

Joined by co-writer Alex de Campi and artist Sandy Jarrell, Bleszinski's *Scrapper* is part *Blade Runner*, part *We3*, an action-packed thriller of animals in an uncaring man's world. Fans of *CliffyB*'s video game work will not want to miss his comics debut this July!

NEW YORK HOSTS SUPERNATURAL DANGERS IN BOOM!'S *SIRENS OF THE CITY*

New York City, the 1980s. A crumbling urban wasteland, haunted not just gangs and the criminal underworld but by supernatural forces that hide in the dark alleyways and abandoned warehouses. It is to this crime-ridden city that Layla, a pregnant teenager, has come, after running away from her bad home situation. New York City isn't a haven for Layla, however; living on the streets is hard enough for a pregnant teen, living with a supernatural child growing in her belly that draws every supernatural creature from the dark corners of the city is worse. Joanna Starer and Khary Randolph present Layla's story in their urban fantasy *Sirens of the City* for BOOM! Studios. Will she survive the city — and the unnatural dangers that dwell there?

A NEW ADVENTURE AWAITS! LEAP INTO BATTLE!

In this month's Diamond catalog, get your first look at the hugely anticipated **CONAN THE BARBARIAN #1**. Following the Free Comic Book Day prequel issue, this series marks a new start for the iconic sword-and-sorcery hero, under Heroic Signatures and Titan Comics.

We talked to *Conan the Barbarian* writer, **JIM ZUB**, on what readers should expect as they **ENTER THE HYBORIAN AGE!**

JIM ZUB *CONAN THE BARBARIAN*

Hi Jim. It is well known that you're a long-time fan of *Conan the Barbarian*. What does the title mean to you?

Conan the Barbarian captured my imagination as a kid and it still engages me now because it carries something primal – an alchemical stew of intensity and violence about exploring the unknown and surviving anything the world can throw at you.

Conan has been around for over 90 years and has had a rich history built by a number of talented creators. How much inspiration have you taken from the character's literary past?

Although I first discovered Conan through the comics and movies, the original Robert E. Howard prose stories showed me the wider potential in the character and his world while driving home the core theme that defines the *Hyborian Age* – *Civilization VS Savagery*.

The more civilized a place we find, the more corrupt and broken its moral core tends to be. Cimmerians like Conan may be considered "savage" by city dwellers, but they know exactly who they are and fight boldly for what they believe.

Right from the start I've tried

to keep that core in mind as I write new stories for Conan, building on that rock solid foundation while expanding the mythology or creating new foes for our hero to face.

You're leading *Conan the Barbarian* alongside artist Roberto De La Torre and colorist José Villarubia. What has it been like working with such an exciting creative team?

Don't forget letterer Richard Starkings! He's been a *Conan* mainstay for so long and it's an honor to have him onboard as well.

Honestly, it's a dream team. All of us on the creative team, working in tandem with editor Matt Murray and *Conan* scholar Jeffrey Shanks, are so passionate about the character and his history, and that keeps us working hard to maintain a high level of quality at every step.

Rob's line art is an instant classic that carries on the legacy begun by artists like Frank Frazetta and John Buscema. Add in José's colors that enhance the atmosphere and every single page just feels unstoppable.

Conan has an enormous fanbase that will no doubt be anticipating this series. However, what

would you say to encourage new readers to pick up the series?

Conan the Barbarian in 2023 is the series I've wanted to read for a long, long time. It's big, brash, uncompromising sword & sorcery storytelling done with a deep love for the source material, but is also incredibly easy for new readers to jump in with right from the start.

Here's all you need to know to start reading – The *Hyborian Age* is an alternate pre-history of our world filled with dark mysteries and even darker magic. Conan is a mercenary warrior filled with wanderlust who travels the land in search of adventure. Wherever he goes, excitement is sure to follow.

Done. You're ready for our first issue.

Conan is just as much a comic book icon as any superhero and there's never been a better time to discover that than now with this book, ready to roar every month starting in July.

Finally – without giving any spoilers – can you use three words to describe Heroic Signatures' and Titan Comic's upcoming *Conan the Barbarian* series?

BLOOD WILL FLOW.

Fans of **ICE CREAM MAN's** existential dread won't want to miss this provocative new anthology series.

W. MAXWELL PRINCE (**ICE CREAM MAN**, **HAHA**) continues his weird, winning one-shot formula with this all-new **multi-artist project** that explores the way things **END...** and also how they never really do.

SWAN SONGS comprises stories about endings... The End of the World. The End of a Marriage. The End of a Sentence. The End of the End of the World! (Which I suppose one might consider the **BEGINNING** of a new world...)

And along for the terminal ride are some of comics' best and brightest artists! The first apocalyptic issue, "**The End of the World**," is drawn by none other than **THE DEPARTMENT OF TRUTH's MARTIN SIMMONDS**. Future artists for future endings include **CASPAR WIJNGAARD** (**HOME SICK PILOTS**), and **FILIPE ANDRADE** (*The Many Deaths of Leila Star*), with more to be announced.

A sea of gore and devastation awaits as B, through a fateful chance encounter, safeguards the advanced and ancient realm of Atlantis as its unstoppable protector.

But a sickly king serves as a symbol for the rot inside, as the security and bliss created through B's violence is shallow... The cracks created by a secret cult might spell a monstrous end for the legendary city, one beyond even B's ability to save.

Renowned filmmaker and record-shattering comic creator **Keanu Reeves** joins acclaimed writer and artist **Steve Skroce** (*Doctor Strange*) for a one-shot special that fans of Lovecraftian horror would be mad to miss!

**New Twists and Turns
Into the Darkest Corners of
Dan Panosian's Wonderland!**

Alice finally got her wish. Wonderland has become her new home, but with her abuser's avatar with the uncanny grin turning the mad residents of a moonstruck world against her, she's clawing for a little rationality amongst the chaos.

As Alice's sister Edith and her childhood friend Earl fight for a way to bring her back, Alice has to contend with whether or not her torment is due to her father, herself, or maybe a curious combination of both...

Superstar writer **Dan Panosian** (*Unkindness of Ravens*, *Black Tape*) and artist **Giorgio Spalletta** (*007: For King & Country*) explore the morbid side of escapism in this twisted tale that blurs the line between fantasy and reality.

The first-ever, critically acclaimed graphic novel adaptation of **Kurt Vonnegut's Slaughterhouse-Five** now available in softcover!

Centering on the infamous firebombing of Dresden, Billy Pilgrim's odyssey through time reflects the mythic journey of our own fractured lives as we search for meaning in what we fear most.

Billy Pilgrim's journey is at once a farcical look at the horror and tragedy of war where children are placed on the frontlines and die (so it goes), and a moving examination of what it means to be fallibly human.

An American classic and one of the world's seminal antiwar books, **Kurt Vonnegut's Slaughterhouse-Five** is faithfully presented in graphic novel form for the first time from Eisner Award-winning writer **Ryan North** (*How to Invent Everything: A Survival Guide for the Stranded Time Traveler*) and Eisner Award-nominated artist **Albert Monteys** (*Universe!*).

Following directly from the pages of *Red Sonja #0*, the She-Devil finds herself on the run, framed for murder, and with an unseen force tugging at the back of her mind. Join Sonja as she races to unravel the mystery of "His Master's Voice!" Written By Torunn Grønbekk and featuring art by Red Sonja superstar Walter Geovani (with colors by Omi Remalante, Jr.), this brand-new series dives deep into Sonja's world, exploring the darkness of Hyboria like never before. And all this is wrapped up in an amazing series of covers: Shannon Maer, Jimmy Cheung, Alan Quah, Bryan Hitch, Joanie Brosas (Cosplay), Jenny Frison, and MANY more — including the Dynamite Debut of Bjorn Barends!

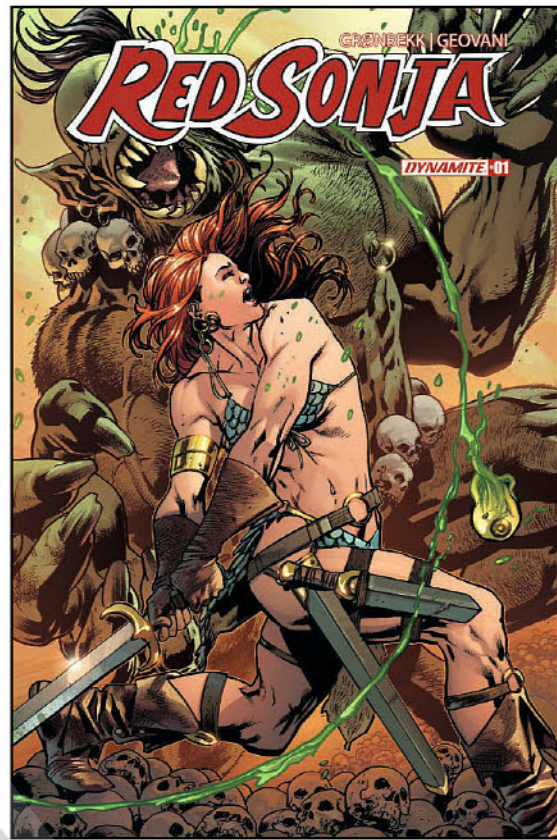

Red Sonja is a sword and sorcery comic-book superheroine who debuted in Marvel Comics in 1973, inspired by Robert E. Howard's character Red Sonya of Rogatino! Marvel Comics published stories featuring Red Sonja until 1986, and returned to the character for a one-shot story in 1995. In 2005, Dynamite Entertainment began publishing stories of the heroine. Red Sonja has appeared in numerous titles, both as a solo protagonist and together with Conan, as well as in crossovers with characters from Marvel Comics and Dynamite Comics. A total of six Red Sonja novels were published from 1981 to 1983.

TORUNN GRØNBEKK UNLEASHES A NEW ERA FOR THE SHE-DEVIL WITH A SWORD!

With 2023 being the big banner 50th anniversary year for Red Sonja, what does the character mean to you? Both prior to taking on this series, and now that you're at the helm for her next epic saga.

To me, Red Sonja is a delight. She is one of the reasons I fell in love with comics in the first place. As a character, she embodies the perfect combination of fearlessness, independence, and wit. I've always loved her stories, and I found that now that I'm writing my own, Sonja is very much in charge. Her unwavering determination and unapologetic nature drive the narrative, and as long as I provide enough head-able bodies, she'll do the rest.

You are no stranger to swords and sorcery adjacent stories, as well as badass women, across your run on Thor and celebrated tales of Valkyrie at Marvel. You've also worked closely alongside superstar writer Jason Aaron, who took the lead on one of the last major epics for Sonja's buddy Conan. How is all that experience and inspiration feeding into your approach to this new series for Sonja?

Growing up in Norway, I was raised on Norse mythology, myths and stories, and it sometimes feels like it has all led up to the work I'm do-

ing now, both at Marvel and with Red Sonja. Badass, complex women are a pillar of our lore, and there are few things I enjoy as much as writing them.

Red Sonja is a legend. She is the sword-wielding menace I dreamt about growing up, not only because she is capable but because she is allowed to be vulnerable. There is a shamelessness about her I think is underrated, and partly why so many women consider her an icon.

Fans will be getting the first peek at your story in our #0 issue available on Free Comic Book Day, the first Saturday in May. How is the big kickoff in the official first issue following from that sneak peek?

The events of the FCBD issue take place just before the start of our main series, and it sets the tone for the kind of storytelling we have in store. While you don't need to read FCBD #0 to enjoy the main series, it provides some useful backstory and flings Sonja into the adventure we'll follow in #1. Being the 50th anniversary of Red Sonja, we knew we wanted to go big and back to her roots. Expect mirth, violent delights and big action!

You're joined on the series by Walter Geovani, who has been contributing on and off to Red Sonja stories for well over 15 years, including iconic tenures like Gail Simone's run, the Prophecy crossover, and much more. He seems like the perfect choice to celebrate the anniversary, as one of the most iconic and beloved creators for the character, alongside you as an exciting new voice. How has the collaboration been so far?

Walter is a master of the genre and is behind some of my all-time favorite Red Sonja stories. He was my first choice for this book, and I was thrilled when he agreed to come on board, and even more so when I saw his first layouts. He makes action seem so damned effortless, but he is also brilliant at capturing expression and the wry humor we try to bring to the book.

I also love working with Omi Re-malante Jr., whose excellent colors perfectly complement Walter's artwork. And Simon Bowland's brilliant lettering ties everything together. I feel incredibly fortunate to be working with such a fantastic team! Seeing the pages come in is a daily joy.

Without spoiling too much, can you share with fans a bit more teasing of how your epic is going to evolve and what wild moments we will get to see the She-Devil With a Sword work her way through?

Red Sonja finds herself hunted throughout the realms, accused of a heinous crime she did not commit and pursued by a mysterious presence she cannot explain. But, despite navigating through the chaos of pursuit, magic and war, it is from the most unexpected source the true danger lurks. There are some surprises for long-time fans of Red Sonja, and we try to challenge both her and the reader's expectations along the way!

TORUNN GRØNBEKK is a Norwegian comic book writer and painter. She is best known for her work on the Valkyrie titles for Marvel Comics — specifically *Valkyrie: Jane Foster*, *The Mighty Valkyries*, *King in Black: Return of The Valkyries* — and the graphic novel *Warhammer 40,000: Sisters of Battle*.

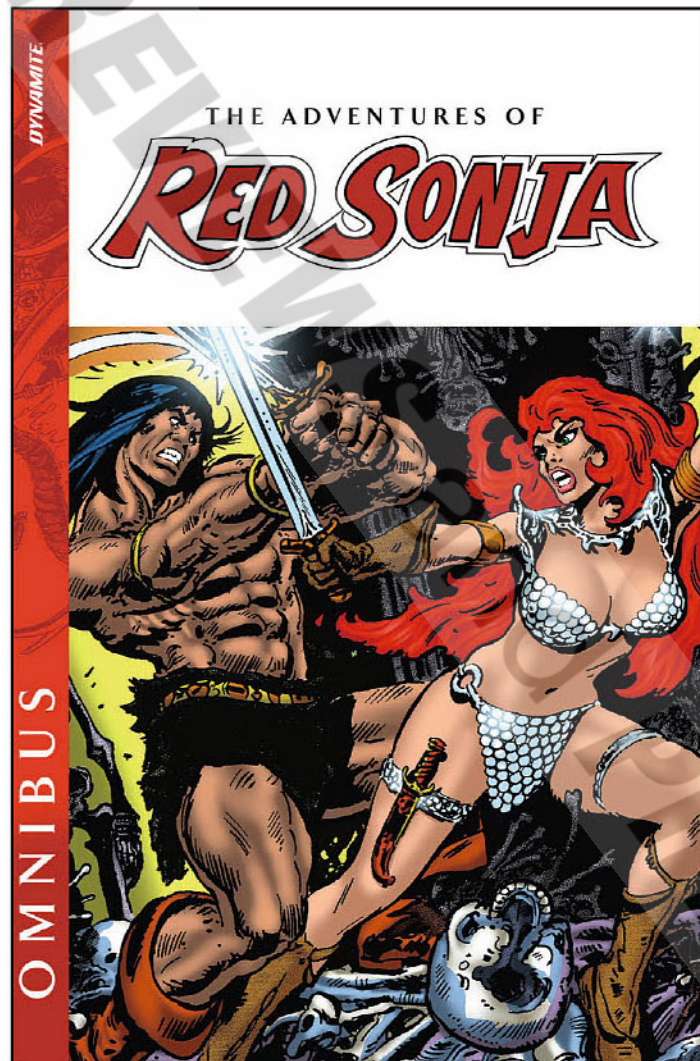

INTERIOR ART BY WALTER GEOVANI (final in color)

Brazilian artist WALTER GEOVANI started his professional career in 2004 at Avatar Press, where he did covers for *Lady Death* and *Lady Death Medieval* and worked on the miniseries *War Angel*. In 2007 he started working for Dynamite Entertainment, for whom he has illustrated many Red Sonja titles, including *Red Sonja*, *Red Sonja: Wrath of the Gods*, *Red Sonja: Blue*, *Prophecy*, and *Red Sonja/Tarzan*. He has also worked on *Vampirella* and provided countless covers for *Dejah Thoris* and *Red Sonja*.

DYNAMITE DEBUT ITEMS

FRANCHISE CREATOR GREG WEISMAN & ARTIST DREW MOSS TAKE US BACK TO THE ORIGINS OF THE GARGOYLES!

Greg, this series is taking us ALL the way back, to the origins of the Gargoyles as we know them. Before they came to New York City and even before they were cursed. Gargoyles fans haven't seen a ton of close focus on this era of the franchise. What inspired you to shine a spotlight on it now?

Greg: Well, to be honest, the success of the main Gargoyles title created an opportunity for a spin-off. I have ALL these stories that I've wanted to tell for decades now, so I pitched a number of ideas to Dynamite and Disney, and this is the one that excited everyone the most. We're taking our readers back to Wyvern Hill in Scotland in the year 971 to witness the origins of the Human-Gargoyle Alliance that had become a strained status quo by 994, the year in which our pilot episode was set. This is an exciting time for the Gargoyle Clan (not to mention an exciting time in Scottish History), and I'm thrilled we'll all have a chance to explore it together.

There are so many fan-favorite characters among the Gargoyles, and it's our understanding that most of them were around back during these times in the "Dark

Ages." But some of them may have very different personalities and dynamics with each other - a thousand years and some conflict can do that to folks. Can you share which characters from the main series and show that people recognize will be showing up here? And are there any new faces to watch out for?

Greg: I'm notoriously spoiler averse, but some of this is pretty obvious, once the year 971 is revealed as our temporal setting. So, readers will be seeing younger versions of Hudson, Goliath, Demona, Coldstone, Coldfire, Coldsteel, Brooklyn, Lexington, Broadway, Prince Malcolm, the Captain of the Guard and more. And, yes, there will be plenty of new faces - Gargoyle and Human - showing up, as well.

Beyond the era difference, we're wondering if the first word in "Dark Ages" could be signifying other aspects of the series. In what other ways will this title differ, if at all, in tone and feel to the flagship?

Greg: It is a Dark Age of war and conflict, of superstition and the sword. There are all sorts of monsters (of every species) in this era, and we'll be meeting quite a few. And not everyone is guaranteed to make it through to the end...

George Kambadais has been such a brilliant match on the main series, delivering a perfect balance

between a cartoon style in the vein of the show and his own stylistic touches. Fans and critics have lauded the art and his approach. This time on **Dark Ages**, you're teaming up with Drew Moss. Dynamite fans will know Drew from his work on various **Red Sonja** projects, which seems maybe a bit relevant here. **How has the collaboration been so far, and what makes Drew a good fit for the Gargoyles?**

Greg: I've only seen a handful of pages from Drew [at the time of this interview], but so far he's knocking it out of the park. Really dynamic storytelling that captures the essences of familiar characters when they're considerably younger than the versions we're all familiar with. I can't wait to see more!

Drew, you're coming in and joining this franchise for the first time. What experience do you have with the Gargoyles, if any, prior to this? Did you watch the show at all while it aired? Or did you dive into it all when being approached for this?

Drew: The only experience I had with Gargoyles was with the show in the 90's and I did the CGC Variant for Dynamite's first issue of Gargoyles. I really enjoyed the show back in the 90s and was super excited to be even considered for this project. I re-watched the series on Disney+ and really had a blast watching it again.

You're jumping into this project

with both the original show, prior stories in comics and media, and the reference of what George has been doing in the main series. How are you approaching your art on the series, with both those influences and your own signature style?

Drew: I am trying to do interior art traditionally, so this allows me to do some washes and other things that allow me to get my hands dirty. I hope to stay true to the art from the show but infusing my own art style to it.

Do you have any favorite Gargoyles to draw so far?

Drew: So far it is Hudson and Mentor, Hudson's younger counterpart - it was fun to de-age him.

THE LOLLIPOP KIDS
DEC211245

When immigrants came to the new world they didn't only bring their hopes and dreams, they also brought their monsters. Nick finds out that he is a "legacy" to a secret society that for the last 400 years has kept these monsters in check — he and a ragtag group of kids have to put the monsters back before they get out of central park and destroy New York City.

It is the near future, and student violence in schools is out of control. In a questionnaire survey for teachers, 98.6% say it is far more challenging to teach students than in the past, and 85.8% say it is not only more challenging but now dangerous.

Eventually, due to out of control youth violence, a teacher is murdered, and the news goes everywhere. As a result, public opinion calling for rapid changes to juvenile law boils over in all parts of the country.

The Ministry of Education and the National Assembly, feeling the seriousness of the collapse of the teaching authority, take the news very seriously and revise the Teaching Rights Protection Act to create a single supervisory body. The name of the supervisory body is the Office of the Protection of Educational Rights.

Hwajin Na becomes a supervisor of the Educational Rights Protection Bureau and is sent to a school where the collapse of authority is severe. His teaching techniques are violent for someone who works in the Ministry of Education. That being said, when punishments don't seem to work on even the worst of school bullies, there is no better man for the job. Sometimes you can't get a good education until those bullies are taught a lesson...

TEACHERS WHO FELT THEIR JOBS HAD BECOME MORE DIFFICULT WERE 38.4 PERCENT, WITH 86.8 PERCENT CLAIMING IT HAD BECOME FAR MORE DIFFICULT.

WRITER: PACO HERNÁNDEZ

ARTIST: JOSÉ ÁNGEL ARES

SOFTCOVER | 172 PAGES | COLOR | MATURE
(16 AND UP) | FICTION, FANTASY, HUMOR | \$19.99

Emma, a newly single cartoonist in her thirties, impulsively finds herself standing in Roncesvalles with her gaze fixed on Santiago de Compostela. Following the pilgrimage route known as The Way of St. James, she realizes the path she is traveling is bringing her closer to and somehow farther away from everyone around her, that the weight of her backpack is more than the clothes and pans inside, and that what she believed to be a simple walk to get some miles behind her (and her past) is a chance to learn not only about the people she meets along the way, but also herself.

Creators Paco Hernández & José Ángel Ares bring you a story of friendship, family and learning. An emotional journey from which no one will return being the same.

Seeing that the animals are more tenacious than he ever expected, Silvio has Miss B put in solitary. And while that may not break her spirit, it may have consequences that will affect her family forever. THE SECOND FAKE DEATH OF EDDIE CAMPBELL & THE FATE OF THE ARTIST HC

(W/A/CA) Eddie Campbell
 Eddie Campbell is not himself. But these days, who is? It's meta-fictional mystery and mischief as the award-winning artist of *From Hell* sets out to find his own imposter. Plus, on the flipside: a deluxe new presentation of *The Fate of the Artist*, Eddie Campbell's classic work of graphic meta-memoir! SIDE A: *The Second Fake Death of Eddie Campbell*, by Eddie Campbell, is a spiritual sequel to his acclaimed graphic novel *The Fate of the Artist*. Many years later, during an endless COVID lockdown in which everybody wears a mask and needs a haircut, Eddie's wife is certain that he has been supplanted by an imposter. She hires a detective to solve the mystery, and what follows — interspersed with Campbell's trademark wry anecdotes, dreams, parodic pastiches, and pandemic peccadilloes — is a thrilling investigation that builds to a car chase and a violent conclusion. SIDE B: *The Fate of the Artist*: In an autobiography, the author and the subject are the same person... but now they've both gone missing. *The Fate of the Artist* is a complex weaving of different strains of invention including a mock prose detective story, an imaginary Sunday comic strip, a mock fumetti-style interview with the author's daughter, intertwined with Campbell's beloved brand of autobiographical comic storytelling. THE BOMB: THE WEAPON THAT CHANGED THE WORLD GN

(W) Laurent-Frédéric Bollée, Didier Alcanté

(A) Denis Rodier

On August 6, 1945, at 8:15 in the morning, an explosive charge of more than 15 kilotons fell on the city of Hiroshima. Tens of thousands of people were pulverized, and everything within four square miles was instantly destroyed. A deluge of flames and ash had just caused Japan's greatest trauma and changed the course of modern warfare and life on Earth forever. The world was horrified by the existence of the bomb—the first weapon of mass destruction. But how could such an appalling tool be invented? In *The Bomb*, Didier Alcanté, Laurent-Frédéric Bollée, and Denis Rodier have created an exhaustive and definitive work of nonfiction that details the stories of the unsung players as well as the remarkable men and women who are at the crux of its history and the events that followed. BIG NATE: NO WORRIES TWO-BOOKS-IN-ONE TP

(W/A) Lincoln Peirce

This exciting volume of *Big Nate* adventures includes all of the comics from *Revenge of the Cream Puffs* and *What's a Little Noogie Between Friends?* Here come the Cream Puffs! Nate and his baseball team, saddled with the most embarrassing moniker in Little League history, want to show the world they're not just a bunch of cupcakes. But it won't be easy. Their opponents mock them. The local sports section misprints Nate's name—**three times**. And now, on the day of the big game, illness and injuries have the team facing a crushing defeat... unless the unluckiest Cream Puff of all can come in from the bullpen and save the day. Then, how does

his soccer team manage to lose to a school with a sixty-game winless streak? What's he doing at the movies on a Friday night... with Gina? And why, oh why is one of his classmates (hint: she's Nate's dream girl) suddenly moving 3,000 miles away? It's all enough to make a sixth-grade superstar feel... well, not so super. AVATAR: THE LAST AIRBENDER: THE LEGACY OF YANGCHEN HC

But in the wake of a brutal assassination and the freeing of Unanimity, Yangchen is forced to bring Kavik—the trusted former companion whose betrayal crushed her—back into her fold. As the Four Nations teeter on the brink of conflict and she begins to unravel the power-hungry Zongdu Chaisee's true agenda, Yangchen is forced to measure the worth of humanity, and how much can be sacrificed in the name of balance. MISFIT MANSION GN

(W/A) Kay Davault

Foster's Home for Imaginary Friends meets *Hilda* and the *Troll* in this spooky and sweet middle grade graphic novel about a monster girl who sneaks out of her foster home and into a human town in search of a forever family but finds more than she bargained for. Despite her monstrous appearance, Iris has never felt like she belongs in a mansion filled with kelpies and gorgons and unicorns. She longs to find a family. Unfortunately, she and her housemates are trapped in a "foster home for horrors" run by former paranormal investigator Mr. Hallway. So, when a human boy named Mathias breaks the house's sealing spell, Iris and her companions are set free upon the town of Dead End Springs. What Iris doesn't know is that Mathias is also a paranormal

hunter (the kind who seeks to capture and destroy the horrors), or that there are other dangers ahead. As Iris searches for a home, she makes human friends, explores a brand-new world... and stumbles upon a dark secret that Hallway has kept locked in the basement of the house. Will this long-slumbering mystery destroy the family Iris so desperately seeks? (STL272208) (C: 0-1-1)

MACBETH HC

(W) William Shakespeare,

K Briggs

(A) K Briggs

A vivid graphic novel adaptation of Shakespeare's *Macbeth*. When three witches prophecy to Macbeth that he will one day become the King of Scotland, an epic of unhappiness, treachery, and blood begins. Macbeth and Lady Macbeth's ambitions lead to an ever-growing path of murder as Macbeth grows ever-closer to the throne. But where will it all end? Only with death—and madness. Influenced by the witches and magic of *Macbeth*, K. Briggs's lush new graphic novel rendition of the classic provides a new interpretation of the Scottish play. Briggs, a Shakespeare reader (and performer) from age twelve, brings their lifelong love of the Bard to this work. (STL272227) (C: 0-1-1)

GORE GN

(W) Verity Holloway
(A/CA) Ivo De Jager

Beryl Gore is a lonely orphan living and working at the Palace Theater in London. Night after night, the company performs tales of guts and glory to an audience of drunken louts while young Beryl cranks the artificial wave machine, entranced by the drama. The plays color Beryl's otherwise humdrum life amongst the slaughterhouses and cobbled alleys of the city. In her attic room, she pens her own melodrama, a bloody yarn of pirates and damsels where goodness is always rewarded. When Beryl shyly shows her work to Mister Perry, the Theater Manager, he shoos the child away. As Beryl enters adulthood, the theater ages with her, becoming shabbier and emptier with each passing season. As theater-goers turn to fresh spectacles elsewhere, Beryl realizes her theatrical world is in trouble. If the Palace is to be saved, it will need a bold new playwright. DUCHENNE'S SMILE ONE-SHOT

(W/A/CA) Damian Connelly

Doctor and researcher Guillaume Duchenne de Boulogne became obsessed with smiles. His electrical experiments allowed him to conclude that a truly happy smile is formed not only by the muscles of the mouth but also by those of the eyes. That kind of smile is called a Duchenne smile. Many researchers have suggested that the Duchenne smile indicates spontaneous and genuine emotion since most people cannot contract the orbicularis muscle at will. *Duchenne's Smile* is a psychological horror thriller that addresses the traumas of those who, in the abandonment of their own mind, can only glimpse at their dark past. Man and beast were never meant to coexist. Shortly after a lung dragon appeared on the banks of the Huang He River, the birthplace of ancient China, reports of similar encounters spread like wildfire around the globe. In the blink of an eye, colossal beasts infested the world. At the throes of the Age of Leviathans, humankind had no choice but to adapt to this new world. In the American Southwest, hunters on horseback incorporated bullfighting techniques to reconquer a lost frontier. In Laredo, two such hunters entertain crowds at a monster rodeo. An opportune offer will have them on the hunt for an elusive beast in Northern Mexico while reminding them that an easy job is never quite that easy. (STL273893)

(A) Joaquin Gonzalez (CA) Gregbo
Back in 1957, Ed Wood brought us a movie about aliens who tried to raise the dead in order to destroy humanity in order to prevent us from causing a galaxy destroying weapon that they believed we would one day create. This was Plan 9 from Outer Space. Obviously, plans 1 through 8 failed, and (spoiler alert, but frankly the movie has been out for 63 years now, so there shouldn't be much to spoil) so did Plan 9. But what happened in the years since 1957? Did the aliens just give up? Were they going to cease their plans to stop us and save the galaxy? Of course not. Almost 60 years have passed, and in that time, they have attempted to destroy us

nearly 50 more times, and humanity has become quite adept at fighting them off. But today, they are coming back for their 59th plan, a plan that is so nefarious, it just might work! (STL273097)

As a child your teddy bear was there to love and protect you from things that go bump in the night. When you outgrew them, they were cast aside and forgotten. Teddy Scares are those bears, now with a new home: the Garbage Dump. With no home they wander endlessly, searching for someone new to hug and cuddle them. All they want is your love. Your parents were right... you should've been nicer to your toys! The Teddy Scares zombie teddy bears are back from the grave starring in eerie tales that are sure to scare the stuffing out of you! Based on the popular toy line of the same name. (STL273096) (C: 0-1-0)

PROOF THAT THE DEVIL LOVES YOU

By Gilbert Hernandez

\$24.99 / HC / 96 pgs / BW / 5.9" x 8.7"

Proof That the Devil Loves You is the latest in a series of graphic novels featuring Gilbert Hernandez's character Fritz, a B-movie actress, whose hourglass figure has earned her a cult following. This book presents three Fritz B-movies: one all-new, two revised and expanded from their initial comic book run. The titular story is a fable about a free spirit, Bula (played by Fritz) who lives in a town very reminiscent of Palomar. Then, Fritz plays the role of an "astronette" on an existential journey through space. While Gilbert often explores Fritz's troubled life off-screen in *Love and Rockets*, for years he has also been "adapting" her exploitation films in various forms.

Filmmaker Q Tuturro takes readers on a tour through the history of snuff films, from Buñuel's *Un Chien Andalou*, to Lee Harvey Oswald's assassination, to *Cannibal Holocaust*, to the Japanese *Guinea Pig* films and beyond. But when QT obtains a copy of Edison's lost film, his collecting days may soon be over.

\$29.99 / SC / 544 pgs / BW / 5" x 7.125"

A peaceful kingdom until its annexation by the Japan in the 19th century, Okinawa was the site of the most destructive land battle of the Pacific War. Today, the archipelago is Japan's poorest prefecture and unwilling host to 75% of all US military bases in Japan. *Okinawa* brings together two collections of intertwined stories by the island's pre-eminent mangaka, Susumu Higa, which reflect on this difficult history and pull together traditional Okinawan spirituality, the modern-day realities of the continuing US military occupation, and the senselessness of the War.

ALISON

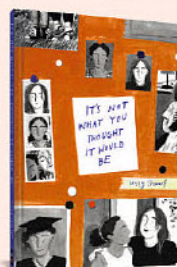

By Lizzy Stewart

\$24.99 / HC / 192 pgs / FC / 6.75" x 9.5"

Alison tells the story of a young British painter who seizes upon the opportunity to escape from her quiet life in Dorset to the thrumming art scene of late-1970s London. But the vehicle for her escape is an older man whose reputation as an artist and philanderer casts a shadow which will follow Alison for years. Combining immaculate prose and stunning artwork, *Alison* is a complex love and coming-of-age story, as well as a meditation on female friendship and empowerment, class and patriarchy, the creative process and the thorny world of fine art.

Box Trolls director Graham Annable pens a hair-raising graphic novel collecting five original scary stories for middle-grade readers. School is tough. School is scary. School is *eerie*. No one knows this better than Davis and Emily. But they're not scared of school because of tough tests or merciless vice principals. They're scared because their teacher wants her students to present the class with the spookiest, most chilling stories they can think of. From the twisted mind of Graham Annable comes five horrifying stories that will scare your skeleton right out of your skin. Are you ready to stare down "The Face in the Forest"? THE HE-MAN EFFECT: HOW AMERICAN TOYMAKERS SOLD YOU YOUR CHILDHOOD HC

(W/A/CA) Box Brown

Brian "Box" Brown brings history and culture to life through his comics. In his next graphic novel, he unravels how marketing that targeted children in the 1980s has shaped adults in the present. Powered by the advent of television and super-charged by the deregulation era of the 1980s, media companies and toy manufacturers joined forces to dominate the psyches of American children. But what are the consequences when a developing brain is saturated with the same kind of marketing bombardment found in Red Scare propaganda? In *The He-Man Effect*, Brown shows us how corporate manipulation brought muscular, accessory-stuffed action figures to dizzying heights, bringing beloved brands like *He-Man*, *Transformers*, *My Little Pony*, and even Mickey Mouse himself into the spotlight. HOMICIDE: THE GRAPHIC NOVEL PART 1 GN

(W) Philippe Squarizoni, David Simon

(A/CA) Philippe Squarizoni

Homicide, the celebrated true crime-book from the creator of HBO's *The Wire*, is reenvisioned in this first volume of a gritty, cinematic graphic novel duology. In 1988, journalist David Simon was given unprecedented access to the Baltimore Police Department's homicide unit. Over the next twelve months, he shadowed detectives as they took on a slew of killings in a city where killings were common. Only the most heinous cases stood out-chief amongst them, the rape and murder of eleven-year-old Latonya Wallace. Originally published in 1991, Simon's *Homicide* became the basis for the acclaimed television show *Homicide: Life on the Streets* and inspired HBO's *The Wire*. Now, this true-crime classic is reimagined as a gritty two-part graphic novel series. (STL272542) (C: 0-1-1)

It's Always Interesting in The Comic Book Market!

If you've been watching the comics market lately – and hey, that's our job at *The Overstreet Comic Book Price Guide* – you know that after a cooling off period toward the end of 2022, things seem to have started to slowly heat up once more.

HERITAGE AUCTIONS

www.ha.com

Daredevil, *Tintin*, and *Krazy Kat* set new records in Heritage's recent International Original Art & Anime Auction. Held on March 10-12, 2023, the auction was completely sold out, bringing in a total of \$3,155,731.

The Man Without Fear sparked a bidding war for Frank Miller's *Daredevil* #185 cover, which sold for \$225,000. The cover, which has two images of Daredevil, comes from his celebrated run that helped revive the title. It is signed by Miller, interior penciler Klaus Janson, and then-Editor-in-Chief Jim Shooter. This cover is now the most valuable work by Miller outside of *Batman: The Dark Knight Returns*.

Marvel and Miller had additional impressive outings, following the *Daredevil* cover. John Romita, Sr. and Jim Mooney's *Amazing Spider-Man* #69 page 11, pitting Spidey against the Kingpin, hammered for \$143,750. A Miller double-page splash from *300* #4 realized \$62,500, setting a record for the miniseries.

HAKES AUCTIONS

www.hakes.com

When Hake's Auctions closed their \$2.571 million March 20-21, 2023 event, the news outlets understandably focused on the results they achieved for a Cox - Roosevelt political button (\$100,300), a Babe Ruth photograph (\$78,529), an Australian *Star Wars* Jawa action figure (\$49,324), and an AFA-certified 85 Series 1 Optimus Prime with the trademark logo (\$34,461).

In addition to those high-flying results, though, Hake's also saw comic books perform well, too.

Hake's Top Ten March 21 Auction Comics

1. *X-Men* #1 CGC 7.0 • \$27,417
2. *Amazing Fantasy* #15 CGC 2.0 • \$21,240
3. *Fantastic Four* #1 CGC 5.0 • \$19,972

As long as he remembers to stay smart and keep his eyes open, Mateo knows that he can survive the trek across the Sonoran Desert that will take him from Mexico to the United States. Escaping their clutches comes at a price, and lost in the desert without a guide or water, Mateo is ill-prepared for the unforgiving heat that is sure to arrive come sunrise. With the odds stacked against him, his one chance at survival may be putting his trust in something, or rather someone, that he isn't even sure exists. If you'd asked him if ghosts were real before he found himself face-to-face with one, Mateo wouldn't have even considered it. But now, confronted with the nearly undeniable presence of Guillermo, he's having second thoughts. IMAGINE AND WONDER

WE SURVIVED THE HOLOCAUST: THE BLUMA & FELIX GOLDBERG STORY GN

(W) Frank Baker (A) Tim Oglie
During Adolf Hitler's rule over Germany, there were over 40,000 Nazi concentration, labor, and death camps built with the intent of erasing an entire population of Jews, Sinti, and Roma, as well as "other examples of impure races." Bluma Tishgarten and Felix Goldberg were both young Polish Jews caught up in the Holocaust, Hitler's rise to power, the rise of antisemitism, and more. Yet they survived. Bluma and Felix's miraculous story of survival, combined with the rise of nationalism and fascism, leading to the ex-

termination of millions of human beings, is also a cautionary tale, a dangerous history that, if we do not heed the warning signs, could very well be repeated. (STL273039) (C: 0-1-1)

UNKNOWN CALLER GN

(W) K.I. Miller (A) Marco Perugini
Years after a tragic accident, a man returns to his hometown seeking revenge. Is he driven by ghosts or simply the voices in his own head? From the mind of Kevin Miller, creator of *Recall*, with art by Marco Perugini and letters by Keith Gleason, *Unknown Caller* blurs the line between reality and psychosis. Just because it's happening in your head, doesn't mean it's not real. (STL273616) (C: 0-0-1)

IRON CIRCUS COMICS

LACKADAISSY VOLUME 1 GN

(W/A/CA) Tracy J. Butler

It's 1927 and Prohibition is in full effect in St. Louis. Organized crime has risen to meet the relentless demand for illicit alcohol. Bootleggers, gangsters, and might-makes-right rule dominate the city's underworld, fueled by the patrons of speakeasies — speakeasies like Lackadaisy. Hidden under the unassuming Little Daisy Cafe and run by the widowed and strong-willed Mitzi May, Lackadaisy holds its own in a rough-and-ready world, where you're either holding the gun or taking the bullet. But will tenacity, class, and a little bit of crazy be enough to ensure the survival of Mitzi and her gang? A keepsake collected edition of the cult classic, Eisner Award-nominated webcomic! Cursed with the power to resurrect the dead through music, three girls from rural Alabama set out to tour dive bars, basements and county fairs throughout the south. If making it as an all-girl punk band wasn't difficult enough, these cursed souls are pursued by a ghoul, disguised as a record executive, who has been tasked with using them to resurrect enough of the dead to overthrow the living. Despite the forces of hell patiently awaiting its time to rise, these riot grrrls are intent to prove that they're no sellouts, and that they can make their mark on their own. Will it be revolution, girl style... or Armageddon? (STL273544)

THE WITCHES OF SILVERLAKE VOLUME 1 GN

(W) Simon Curtis (A) Stephanie Son Elliot Green has had a rough year. His dad died, he had to move across the country, and now he's about to start high school in one of LA's most prestigious private schools, where his mom has accepted the position of Vice Principal. He's quickly taken in by the school's outcasts: the scholarship kids; the queer kids; and the ones who just don't really fit in with the glossy trust fund babies of SJT-BA. They quickly let him in on their little secret... they are witches. Elliot joins them in their world among the crystal stores and occult shops of Silverlake and ends up joining his new friends' coven. During one of their magical experiments, they accidentally release a bloodthirsty demon that starts murdering their classmates and teachers. Elliot and his coven realize that the fun and games of playing with crystals and candles is over, that magic is powerful, real, and that it might be more dangerous than they'd ever imagined. Isaac Itkin can't get away from his thoughts. As a lonely twelve-year-old kid with Obsessive Compulsive Disorder (OCD), everything from studying to looking in the mirror becomes a battle between him and a swarm of unhelpful thoughts. The strict therapy his mother insists on doesn't seem to be working, but when a group of friends invites him to join their after-school role-playing game, the thoughts feel a little less loud, and the world feels a little brighter. But Isaac's therapist says that exposure to games can have negative effects on kids with OCD, and when his grades slip, his helicopter mother won't let him play anymore. Now Isaac needs to find a way to prove to himself, to his mother, and to the world that the way to quiet the noise in his head may have been inside him all along. (STL273089) (C: 0-1-0)

(CA) Dave Sim
Legendary creator Dave Sim is renowned world-wide for his groundbreaking *Cerebus the Aardvark*. Now, in *The Strange Death of Alex Raymond*, Sim brings to life the history of comics' greatest creators, using their own techniques. Equal parts *Understanding Comics* and *From Hell*, *Strange Death* is a head-on collision of ink drawing and spiritual intrigue, pulp comics and movies, history and fiction. The story traces the lives and techniques of Alex Raymond (*Flash Gordon*, *Rip Kirby*), Stan Drake (*Juliet Jones*), Hal Foster (*Prince Valiant*), and more, dissecting their techniques through recreations of their artwork, and highlighting the meta-textual resonances that bind them together. HOUSE ON FIRE TP

Battaglia depicts the near-future landscape of *House on Fire* with wild two-color brushwork reminiscent of the great Paul Pope, and a minimalist writing style that evokes and questions rather than lectures. When Athena's Temple is sacked by a mysterious Centurion looking for a powerful relic that once belonged to Zeus, the old gods are convinced they have found Zeus's killer. Now that all has been revealed by Corduroy Caramel, Mister Nibs and Junction Jones are left (once again) with a single terrible option if they want to stay alive; breach a Fissure Point Facility located at the heart of Junction Town, commandeer a Jaunt Room and utilize the Time Dislocator Coin. The plan? Hit up the only Dealer left in Junction they can trust, procure a couple counterfeit janitor's badges and sneak in under the radar. To accomplish this they'll need to take a trip into the INbetween: a derelict schism between Junction and the skid row alleys of Earth. Easy-peasy, right? JOHN CARPENTER'S TALES FOR A HALLOWEEN NIGHT: BROOKLYN TALES TP

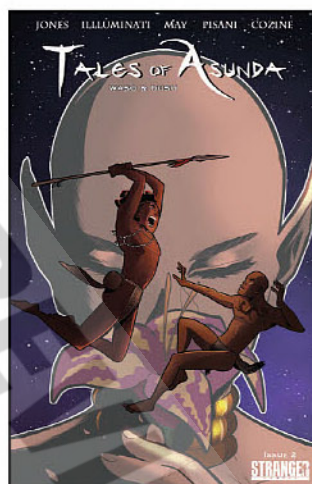

(W) Tieri, Frank
(A/CA) Cat Staggs

For the last five years, comic legend Frank Tieri has been offering up tales of monsters, both human and supernatural, creeping in the streets of Brooklyn. As it turns out, these big city beasts, whether ghosts, vampires, wendigos or simply human beings bent on revenge, have been responsible for events as widespread as the Coney Island fire of 1911, the '77 NY blackout, and even the Revolutionary War's Battle of Brooklyn. The "truth" behind all these events is not what the public thinks it is. But thankfully, Tieri is here to set the record straight. This covers his stories from *John Carpenter's Tales for a Halloween Night* volumes 4 through 8. As an added bonus to the collection, Tieri has written a sixth story, to tie these events and characters together. All six stories are illustrated to perfection by his frequent collaborator Cat Staggs. You'll never look at New York the same way again. (STL263142)

**MASTERPIECES OF FANTASY ART:
TASCHEN 40TH-ANNIVERSARY
EDITION HC**

(A) Michael Whelan & Various

Fantasy art, that colorful blend of myth, muscle and sexy maidens, took off in 1923 with the launch of *Weird Tales* was reinvigorated in the 1960s with *The Lord of the Rings*, *Conan the Barbarian* paperbacks with Frank Frazetta covers, and the late '60s emergence of fantasy psychedelia. It went big in the '70s with the role-playing game *Dungeons & Dragons*, the brilliant French magazine *Métal Hurlant*, and the first *Star Wars* film. The number of active artists peaked in that decade, but a new generation of fans discovered the genre through fantasy trading card games in the '90s, leading to a massive interest in the art form today. Fans line up at Comic-Cons to meet Boris Vallejo, Rodney Matthews, Greg Hildebrandt, Michael Whelan, and Philippe Druillet, and memorialize dead icons HR Giger, Jeffrey Catherine Jones, and Frazetta. This book features original paintings, contextualized by preparatory sketches, sculptures, calendars, magazines, and paperback books, for an immersive dive into this dynamic, fanciful genre. Insightful bios go beyond Wikipedia to give a more accurate and eye-opening look into the life of each artist. This collection will reign as the most exquisite and informative guide to this popular subject for years to come. (STL273051) (C: 0-1-1)

**MICK ROCK:
THE RISE OF
DAVID BOWIE
1972-1973 HC**

(W) Mick Rock

In 1972, David Bowie released his groundbreaking album *The Rise and Fall of Ziggy Stardust and the Spiders from Mars*. With it landed Bowie's Stardust alter ego: a glitter-clad, mascara-eyed, sexually ambiguous persona who kicked down the boundaries between male and female, straight and gay, fact and fiction into one shifting and sparkling phenomenon of '70s self-expression. Together, Ziggy the album and Ziggy the stage spectacular propelled the softly spoken Londoner into one of the world's biggest stars. A key passenger on this glam trip into the stratosphere was fellow Londoner and photographer Mick Rock. Rock bonded with Bowie artistically and personally, immersed himself in the singer's inner circle, and, between 1972 and 1973, worked as the singer's photographer and videographer. This collection brings together spectacular stage shots, iconic photo shoots, as well as intimate backstage portraits. Through the aloof and approachable, the playful and serious, the candid and the contrived, the result is a passionate tribute to a brilliant and inspirational artist whose creative vision will never be forgotten. **THE FANTASTIC WORLD OF
FRANK FRAZETTA HC**

(A/CA) Frank Frazetta

Frank Frazetta has reigned as the undisputed lord of fantasy art for 50 years, his fame only growing in the 10 years since his death. With his paintings now breaking auction records, he's long overdue for this ultimate monograph. Born in 1928, Frazetta claimed to only make art when there was nothing better to do — he preferred playing baseball — yet began his professional career in comics at age 16. Strip work led him to the infamous EC Comics, then to oils for *Tarzan* and *Conan* pulp covers. He redefined fantasy heroes as more massive, more menacing, more testosterone-fueled than anything seen before. As counterbalance he created a new breed of women, as nude as censorship allowed, with pixie faces and multiparous bodies: thick thighed, heavy buttocked, breasts cantilevered out to there, yet still, with their soft bellies and hints of cellulite, believably real. Add in the action, the creatures, the twilight worlds of haunting shadow and Frazetta's art is addictive as potato chips. This monograph is the biggest and most complete ever produced on the artist, done in collaboration with the Frazetta family and with top collectors. (STL243421)

SPOTLIGHT ON

THE CHILLINGLY WEIRD ART OF MATT FOX HC

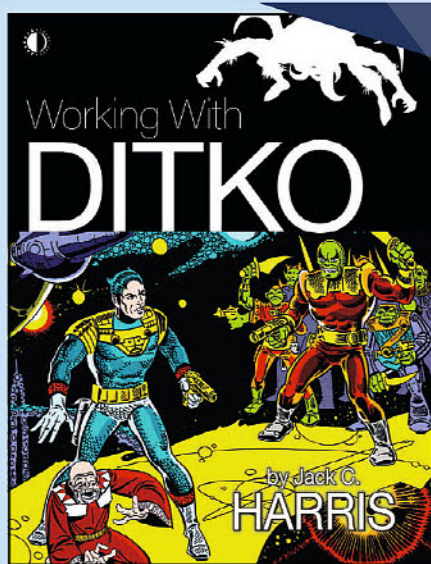

(W) Roger Hill (A) Matt Fox
Matt Fox (1906-1988) first gained notoriety for his jarring cover paintings on the pulp magazine *Weird Tales* from 1943 to 1951. His almost primitive artistry encompassed ghouls, demons, and grotesqueries of all types, evoking a disquieting horror vibe that no one since has ever matched. Fox suffered with chronic pain throughout his life, and that anguish permeated his classic 1950s cover illustrations and his lone story for *Chilling Tales*, putting them at the top of all pre-code horror comic enthusiasts' want lists. Comic art historian Roger

Hill tells Fox's life story, through an informative biographical essay, augmented with an insightful introduction by From the Tomb editor Peter Normanton. This full-color hardcover also showcases his *Weird Tales* covers and interior illustrations, and a special Atlas Comics gallery with examples of his inking over Gil Kane, Larry Lieber, and others. AMERICAN COMIC BOOK CHRONICLES: 1940-44 HC

It was a time when America's entry into World War II was presaged by the arrival of such patriotic do-gooders as Will Eisner's Uncle Sam, Harry Shorten and Irv Novick's The Shield, and Joe Simon and Jack Kirby's Captain America. It was when teenage culture found expression in a fumbling red-haired high school student named Archie Andrews. But most of all, the first five years of the 1940s was the age of the "packagers" when studios headed by men like Harry A. Chesler, Will Eisner, and Jerry Iger churned out material for a plethora of new comic book companies that published the entire gamut of genres, from funny animal stories to crime tales to jungle sagas to science-fiction adventures. HERO-A-GO-GO SC

Welcome to the Camp Age, when spies liked their wars cold and their women warm, good guys beat bad guys with a pun and a punch, and Batman shook a mean cane. *Hero-A-Go-Go* celebrates the camp craze of the Swinging Sixties, when just about everyone — the teens of Riverdale, an ant and a squirrel, even the President of the United States — was a super-hero or a secret agent. Michael Eury takes you through that coolest cultural phenomenon with this lively collection of nostalgic essays, histories, and theme song lyrics of classic 1960s characters like Captain Action, Herbie the Fat Fury, Captain Nice, Atom Ant, Scooter, ACG's Nemesis, Dell's super-Frankenstein and Dracula, the "split!" Captain Marvel, and others! (STL031673)

(W) Eric Nolen-Weathington
(A/CA) Frazer Irving

From his earliest work in Britain's 2000AD to his contributions with Wildstorm, Dark Horse, and Marvel Comics, and finally to his recent *Batman* work for DC Comics, Frazer Irving has been one of comics' top artists of the moody and the macabre. When not performing with his London-based band, this true Modern Master is hard at work redefining and challenging the boundaries of comic art with his innovative digital techniques and style. Irving's career is profiled through an exhaustive interview with the artist, where he outlines his creative process, and presents reams of rare and unseen art, including a gallery of commissioned pieces, and a full-color gallery of his work. **JACK KENT:
THE WIT, WHIMSY,
AND WISDOM OF A
COMIC STORYTELLER**

(W) Paul V. Allen (A) Jack Kent
Jack Kent (1920–1985) had two distinct and successful careers: newspaper cartoonist and author of children's books. For each of these he drew upon different aspects of his personality and life experiences. From 1950 to 1965 he wrote and drew *King Aroo*, a nationally syndicated comic strip beloved by fans for its combination of absurdity, fantasy, wordplay, and wit. In 1968, he published his first children's book, *Just Only John*, and began a career in kids' books that would result in over sixty published works, among them such classics as *The Fat Cat* and *There's No Such Thing as a Dragon*. *Jack Kent: The Wit, Whimsy, and Wisdom of a Comic Storyteller* illuminates how

Kent's life experiences informed his art and his storytelling in both *King Aroo* and his children's books. Paul V. Allen draws from archival research, brand-new interviews, and in-depth examinations of Kent's work. (STL272204) (C: 0-1-1)

**AN INTERVIEW WITH THE HOSTS OF COMICTOM 101
ON YOUTUBE, "COMIC TOM" GARCIA & RYAN SARGEANT**

WHATNOT PUBLISHING: How does it feel to go from comic book journalist and retailer to creating your own series?

Tom: Humbling is the first word that comes to mind. I have a great respect for creators and the industry and I know how tough it is to make comics a reality. I knew it would be hard, but it's definitely a skill; it's an art, and it's something I'm excited to do more of.

It's using a different part of my brain. Analyzing a comic's performance in the market vs. the creative side is a completely different experience with the medium. And I think that this experience has made me better: I knew I would become a better writer throughout this process but I didn't expect being a creator to impact the journalistic side of my career as much. But now I see things from a different perspective.

WNP: Where does your passion for comics come from?

Ryan: I've had a lifelong love for storytelling and fiction, but comics was probably the last new art form I was introduced to, in college. I definitely have a longer history with film and novels, but discovering comics later in life helped me view them with a more objective approach that certainly helps when creating a comic of our own.

Tom: My dad. It's a generational thing for me, I grew up reading comics with my dad. I was taught to read from my dad, through comics. I read a lot of *JLA*, *Vertigo*, *Sandman* and *Hellblazer* growing up. I'm beginning to think that this impacted me and my career more than he ever thought it would.

WNP: As a comic book journalist that analyzes the industry on a daily basis, what's the most exciting part of creating a comic series in the current industry?

Tom: Being able to serve our fans and supporters in a way we've never done before. We've done a lot in the comic industry, but it's a whole separate thing to be able to make something special for people who care.

Ryan: Horror seems to be having a resurgence in modern comics too, and it's really exciting to be able to put something out in that genre that Tom and I both love so much.

WNP: What was your inspiration for Crashdown?

Tom & Ryan: We both have a love for horror/sci-fi, and we had a huge list of inspirations for this comic: movies like *Hereditary*, *The Mist*, *The Ruins*, *Pandorum*, and *Alien*; shows like *Lost* and *Battlestar Galactica* (the reboot!), as well as comics like *Uearth* and *Nice House on the Lake*...we tried to channel the things we loved most about our favorites while creating something that we would want to order and read ourselves, if we saw it in the *Previews* guide.

WNP: What was it like to collaborate with a horror veteran like Ben Templesmith?

Tom: Considering he's one of my favorite artists of all time, it's a dream come true. I've considered Ben Templesmith a close friend for years now, and this was before I even knew I'd have an opportunity to make a comic book with him. He's the only artist I can imagine telling this story with. We've approached *Crashdown* with a goal of trying to empower Ben and flex his art every step of the way, and it's showing in the final product.

WNP: And last, what would you like to say to the comic book community?

Tom & Ryan: Thank you for the opportunity, we couldn't have gotten to this point without the love and support of our viewers and Mystery Mail Call members! And also, pick up your comic books on time from your Local Comic Shop! The LCS is a crucial part of this hobby, and if we want comic books to continue to exist, make sure you actually go and pick up the books you order!

CURSED PRINCESS CLUB VOLUME 2 GN

(W/A) LambCat

Just because you're cursed doesn't mean you're not special. Meet Gwendolyn—living proof that princesses don't always have it all. Although she lives in a castle and her father is the King, Gwendolyn isn't like a fairy-tale princess and isn't conventionally attractive. But one night, she accidentally stumbles upon the twisted world of the Cursed Princess Club, and her life will never be the same. Low self esteem isn't just for girls! Meet the Princels—princes who have shunned society not because of curses (although one has to wonder...) but because of their own insecurities about their physical appearance and their inability to find romantic partners. And then

we have Prince Frederick, who starts to worry if he even deserves Gwen. Plus, you too can learn to be as pretty as a Cursed Princess! (STL272501) (C: 0-1-0)

SPIRITBOX: ETERNAL BLUE GN

(W) Jim Krueger

(A) Amílcar Pinna

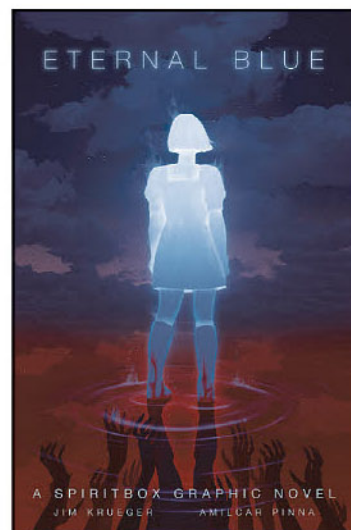

(CA) Justin Cherry

Eva is a popular painter on the verge of unbelievable acclaim and success, but her inability to reconcile the public perception of who she is, versus her actual self, allows the Spiritbox to transport her to a surreal world, where she finds herself trapped in the realm where all our false shadows become real and dangerous. HALESTORM: HYDE MANOR HC

(W) Winner Twins (A) Sara Scalia

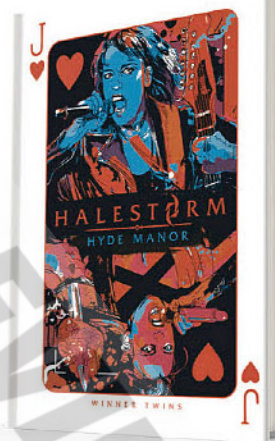

(CA) Alison Sampson

Celebrating the 10th anniversary of the 2012 EP *Hello, It's Mz Hyde* and its ensuing LP, *The Strange Case Of...*, the Hyde Manor graphic novel depicts the members of Halestorm encountering sinister doppelgangers of themselves. Within the decrepit halls of Hyde Manor, mirror reflections independently talk back and photographs transform to reveal sordid prophecies, leading the band to slowly succumb to madness while recording a new album. The tale creaks and twists with doom-filled revelations, perfectly tied to Halestorm's scorching discography. (STL247711) (C: 0-1-2)

DIAMOND SELECT TOYS HAS TOP MEN WORKING ON THEIR INDIANA JONES PRODUCT LINE

Indiana Jones returns to theaters this summer in the long-awaited film, *Indiana Jones and the Dial of Destiny*, and he returns to comic shop shelves this autumn and beyond thanks to Diamond Select Toys and Gentle Giant's line of Indiana Jones merchandise!

Add the hero himself to your collection with statues and busts. The *Indiana Jones Premier Collection: Treasures 1/7-Scale Statue* depicts the Man in the Hat with his whip and interchangeable hand pieces holding the golden idol, the Sankara Stones, or the Holy Grail, so you can choose his adventure. Classic figure collectors will thrill to the *Indiana Jones: Raiders of the Lost Ark: Indiana Jones Jumbo Figure*, a 12" scale recreation of the classic Kenner action figure. The *Indiana Jones: Raiders of the Lost Ark Legends in 3-Dimensions 1/2-Scale Bust* portrays Indy as he appeared in the first film in a 10" scale, while the *Indiana Jones: Raiders of the Lost Ark Indiana Jones 1/6-Scale Mini-bust* is smaller at 6" scale. You can even match the smaller bust with "Father of Indy" thanks to the *Indiana Jones and the Last Crusade: Dr. Henry Jones, Sr. 1/6-Scale Mini-bust*.

Relive memorable moments from the Indiana Jones films with two dioramas: the *Indiana Jones Gallery: Raiders of the Lost Ark Escape Deluxe PVC Diorama*, depicting Indy's escape from the Mayan ruins, and the *Indiana Jones Gallery: Temple of Doom Bridge PVC Diorama*, recreating Indy's escape from Mola Ram on the rope bridge. And add a treasure to your own collection with the *Indiana Jones: Raiders of the Lost Ark Idol Vinyl Bank*, a rerelease of the best-selling bank that doubles as a statue of the idol Indy seeks at the beginning of *Raiders of the Lost Ark*!

These treasures are as limited as the ones Indiana Jones sought out in his long career, so be sure to visit your local comic shop to secure them for your own personal museum before they're gone for good!

Playing on a famous horror movie trope, *Final Girl* is a solitaire-only game that puts the player in the shoes of a female protagonist who must kill the slasher if she wants to survive. The *Core Box*, when combined with one of our Feature Film Boxes, has everything you need to play the game. Each Feature Film Box features a unique Killer and iconic Location, and the more Feature Films you have, the more killer/location combinations you can experience! In game terms, *Final Girl* shares similarities with *Hostage Negotiator*, but with some key differences that change it up, including a game board to track locations and character movement. You can choose from multiple characters when picking someone to play and multiple killers when picking someone to play against. Killers and locations each have their own specific terror cards that will be shuffled together to create a unique experience with various combinations of scenarios for you to play! Requires any *Final Girl Feature Film* to play. (STL270488) (C: 0-1-2) NOTE: Available only within US and territories.

FINAL GIRL: A KNOCK AT THE
DOOR FEATURE FILM
EXPANSION

Nothing like a reunion at the quiet and secluded Wingard Cottage. Everyone is having a great time. The booze is flowing and the party has begun. Then comes a knock at the door. A quick glance around the room tells you everyone who's supposed to be here already is... You approach the door and slowly open it, peeking around the edge of the door. No one is there. But someone was... the question is, who? What horror game would be complete without a home invasion? The Intruders are here. Face not one, not two, but THREE killers. You thought one was hard, but you're really going to have to stay on your toes against these murderous menaces. Wingard Cottage offers a new challenge with unique events and a new crafting mechanism that lets you take ordinary items and turn them into epic weapons. Stick with

that knife or scrounge up some wood and nails to craft The Obliterator? It will be up to you, just make the call before it is too late! Requires *Final Girl Core Box* to play. (STL270501) (C: 0-1-2) NOTE: Available only within US and territories.

FINAL GIRL: INTO THE VOID FEATURE FILM EXPANSION

Deep space. You and the rest of the crew of the *USCSS KONRAD* find yourself in deep space when you notice something scurries across the floor and into the ventilation shaft. Can you destroy it before it morphs into something much bigger and much deadlier? Or will the Evomorph harvest the bodies of the entire crew? It's kill or be killed in when you're being hunted in space! The Evomorph will evolve over the course of the game and features a "vanishing" mechanic where it will disappear into the ventilation shafts only to return when you least expect it or perhaps if you plan it right, into a well-laid ambush! The *USCSS KONRAD* spaceship introduces keycards that can be used to access different parts of the ship. Will you kill your foe the old-fashioned way? Self-destruct the ship and escape? Or

perhaps you'll try to airock the killer into the void! Requires *Final Girl Core Box* to play. (STL270493) (C: 0-1-2) **NOTE:** Available only within US and territories. (VRG FG006).....\$19.99

The arctic Station 2891 features new unique challenges. Will you try to save your comrades against all odds, or look out for numero uno and use them to buy yourself time? Requires *Final Girl Core Box* to play. (STL270499) (C: 0-1-2) **NOTE:** Available only within US and territories. Card Game (VRG FG007).....\$19.99

FINAL GIRL: MADNESS IN THE DARK FEATURE FILM EXPANSION

No matter where you go in Wolfe Asylum, noises and voices always seem to echo. It is particularly frightening when one of the residents cackles or a group of them cheer during a game of them cheer during a game of bingo in the common room. Those noises are nothing, however, compared to the blood-curdling shrieks of terror generated by the evil brand of medical "care" the Ratchet Lady is giving the asylum's residents and staff. What do you do when the maniacs come? The Ratchet Lady is in a mood. She's performing her own brand of therapy on the victims, turning them into bloodthirsty maniacs. You'll have to decide if you want to try to calm them down or kill them before they can kill you. But the only way to really stop them will be to put down the Ratchet Lady herself. Requires *Final Girl Core Box* to play. (STL270503) (C: 0-1-2) **NOTE:** Available only within US and territories.

FINAL GIRL: ONCE UPON A FULL MOON FEATURE FILM EXPANSION

Over the river and through the woods to grandmother's house you go. Never mind the growling, it must be your imagination, just keep skipping and singing. You stop in your tracks as a big, bad wolf leaps onto the path in front of you. Its eyes glow red and drool drips from its fangs as it stands on the path between you and your destination... Grandma will have to wait. Not every story ends happily ever after. This isn't the Big Bad Wolf you imagined as a child. Featuring "hunt" and "slay" modes, the killer will take different actions depending on what mode it is in, making for yet another unique challenge for you to tackle! Storybook Woods features a unique layout with a river running through the land. Requires *Final Girl Core Box* to play. (STL270502) (C: 0-1-2) **NOTE:** Available only within US and territories.
